Manager Strategic Planning &
Sustainability
City of Melbourne
PO Box 1603
MELBOURNE VIC 3001

Dear Mr Mayes

Thank you for your letter to our Mayor inviting comment on the draft Future Melbourne Plan.

Firstly, I would like to congratulate you and the team for preparing such a clear and exciting plan for Melbourne. The goals and pathways present an achievable and inspiring direction for the City.

Knox City Council recognises the critical role that the City of Melbourne has on the sustainability, prosperity and liveability of all the metropolitan area. The draft Plan is consistent with our vision and strategies for the future development of Knox and will help us achieve our common goals.

Finally, previous alliances between our organisations, such as the BioCouncils Alliance have helped to advance our respective plans and facilitate economic development. I would be pleased to explore any new opportunities for similar alliances arising out of Future Melbourne.

Yours sincerely

Angelo Kourambas
Director City Development
