Dear Dr Alexander

DRAFT FUTURE MELBOURNE PLAN

Thank you for your letter of 26 May 2008 outlining the development of the City of Melbourne's draft *Future Melbourne Plan*. I congratulate the City on developing its ambitious agenda for the decade to 2020 and for its innovative use of a wiki website to engage the community and further the Plan's development.

The Department of Premier and Cabinet is committed to the strategic development of the Melbourne region and has played a significant role in developing key Victorian Government policies such as Melbourne 2030 and Growing Victoria Together.

I note that the draft Plan identifies many opportunities for future collaboration between the City and the Victorian Government and that these will be important to the achievement of the City's vision. Accordingly, it will be important to consider the relationships between the Plan's goals and Government policy as *Future Melbourne* develops further.

I understand that the draft Plan has been provided to a number of State Government Departments and expect that they will provide you more detailed input on specific aspects of the Plan.

I wish you well with the development of the *Future Melbourne Plan*.

Yours sincerely

HELEN SILVER
Secretary
